The Century Club has been going for 48 years, benefitting players and supporters alike. The key aim is to improve our playing facilities by providing financial support for the Club to invest in projects outside of the normal budget.

Over the last two years the Century Club has bought the electronic scoreboard on the back pitch and this year we have helped to fund the new electronic scoreboard on the main square.

If you would like to know more about the Century Club and its aims, please speak to Alan Turner, Ali Roberts or Barbara Turner to find out more. We would love to welcome you.

How does it work?

For an annual sum of £24 or a monthly payment of £2 you can join the Century Club and become eligible for our annual draw. This takes place in the clubhouse at the beginning of each season with a champagne reception and auction.

It's a great way to start the season and you stand the chance of winning one of 6 prizes.
1st prize of £600 | 2nd prize of £300 | Four prizes of £50
